

MAISON DE LA POSTE

BRUSSELS' MOST INSPIRING CONFERENCE AND EVENT CENTRE

Where participants come together
to share ideas and create stories.

Beyond the heritage venue...

A UNIQUE EVENT VENUE WHERE TIMELESS ARCHITECTURE MEETS MODERN INNOVATION

WHERE INDUSTRY ONCE POWERED TRADE

Built in **1904**, Maison de la Poste originally served as the administrative hub for Tour & Taxis—then Europe's largest customs and shipping complex. Its stunning **Art Nouveau and Art Deco** features reflect the refined craftsmanship of the Industrial Era.

A NEW LIFE FOR A HISTORIC GEM

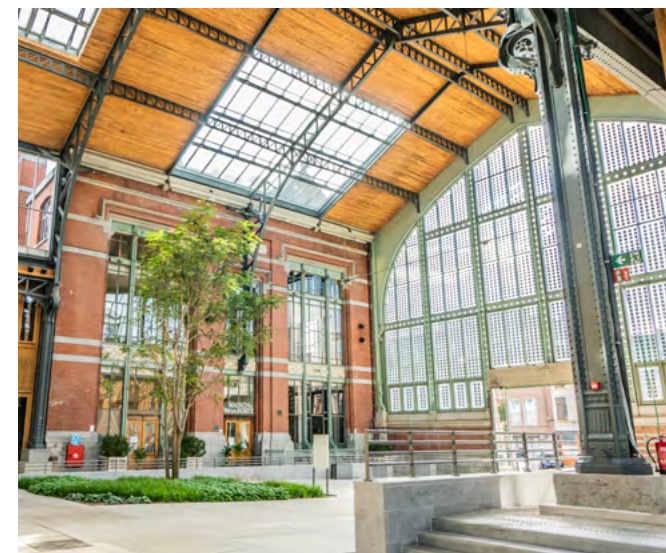

Renovated and expanded in **2019**, Maison de la Poste is now Brussels' most inspiring venue for conferences and events. Professionals from across the globe gather here to exchange ideas and shape the future.

SPACES THAT SPARK CREATIVITY

With **15 distinctive heritage rooms**, including five designed by renowned international designers, the venue combines history with high-end design. Each room offers a unique ambiance for meetings, receptions, exhibitions, and more.

A DESTINATION FOR MEMORABLE EVENTS

Today, Tour & Taxis is a vibrant, sustainable redevelopment project. What was once a bustling freight and customs centre is now a reimagined, future-focused urban hub in the heart of Brussels.

TWO SPACES, ONE EXCEPTIONAL EVENT EXPERIENCE

Located on the ground floor of Maison de la Poste, the Ticket Window Hall and the Foyer form a seamless duo of elegant, light-filled spaces – ideal for hosting events ranging from intimate meetings to large-scale gatherings.

TICKET WINDOW HALL

Originally the administrative heart of Tour & Taxis at the turn of the 20th century – then known as the Hôtel d'Administration – this impressive 800 m² hall later became a post office in the 1970s. Today, it stands as a stunning example of industrial heritage restored with elegance.

The warm parquet flooring and signature lighting by Jules Wabbes - one of Belgium's most renowned post-war interior designers – create a refined and welcoming atmosphere. Stylish black theatre curtains allow the space to be adapted for a wide variety of setups and event formats.

FOYER

Directly adjoining the Ticket Window Hall, the Foyer is a spacious and naturally lit room with large windows. It's the perfect complement to your event: ideal for catering, exhibitions, breakout sessions, or networking opportunities.

MUSIC ROOM

Vinyl Vibes. Belgian Beats. Timeless Inspiration.

This unique room is a tribute to Belgian music, with portraits of iconic musicians and a record player ready to spin tracks by legends like Stromae, Brel, and dEUS – straight from the shelves of the famed Caroline Music shop in Brussels. A vintage vibe fills the space, elevated by a buffet piano for those who’d like to play live.

Presiding over the room is Maria Sèthe, immortalized in a 1891 portrait by impressionist painter Theo Van Rysselberghe. Her love for music lives on here, in a setting that blends elegance, creativity, and sound.
